The Coachman's 2-bedroom units (1,043 to 1,500 sf) closed at \$415,000 to \$624,000 (\$357 to \$428 per square foot; 2-bedroom blended \$398); its studio and 1-bedroom carriage units (696 to 770 sf) closed at \$269,000 to \$279,000. The Eleventh units are substantially larger (2,030 to 2,054 sf) than the subject's 1,402 to 1,535 sf plans; price per square foot naturally compresses with unit size, while absolute price points of \$465,600 to \$600,000 all exceed the subject's highest launch price of \$432,870. The ~05/2026 date for 1640 Bagley #13 is approximate (listed as sold 63 days before the July 2026 pull).

POSITIONING

Priced \$30 to \$50 per square foot under the closest closed comps

3331 Trumbull’s blended launch pricing of \$288 per square foot sits well below the closest closed evidence: Terraces at Woodbridge, designed by the same architect as 3331 Trumbull, has closed six Realcomp-recorded sales between December 2024 and March 2026 at \$313 to \$341 per square foot (blended \$323), on smaller 2-bedroom product. Sycamore Park, built by Bondy Construction & Design one block from the subject site, closed the six units shown at \$312 to \$327 per square foot (blended \$320, average price \$421,588, high sale \$513,025) between September 2024 and March 2025. Harrison 12, also Bondy-built in the same submarket, priced its 3-bedroom plans at \$306 to \$310 per square foot on its 10/9/23 pre-sale list and delivered and sold all 12 units.

Corktown proper confirms both the ceiling and the absolute price points. The Coachman on Bagley St closed eleven Realcomp-recorded sales between July 2023 and May 2026 at \$349 to \$428 per square foot (blended \$391), with its 2-bedroom units of 1,043 to 1,500 sf trading at \$415,000 to \$624,000. The Eleventh closed four units at \$465,600 to \$600,000 on larger 2,030 to 2,054 sf two-bedroom product; every one of those absolute prices exceeds the subject’s highest launch price of \$432,870.

Against that evidence, the subject’s Type A at \$282 per square foot with a third bedroom, tuck-under garage, and private roof deck on every unit is priced \$30 to \$50 per square foot under the closest closed comps, and roughly \$100 per square foot under Corktown proper. Two further supports: Scripps District, the nearest active competitor at \$256 to \$286 per square foot, is approximately 65% sold, demonstrating ongoing absorption at the subject’s price point; and Harrison 12 realized \$180,985 in upgrade revenue (5.28% per its sales list), suggesting the \$125,000 upgrade allowance carried in the 3331 Trumbull proforma is conservative. Unit pricing steps up \$8,000 after 6/25/26 per the June 2026 proforma.
